

Complaint Procedures for Federal Programs

Grounds for a Complaint:

Any individual, organization or agency may file a complaint with the Floyd County School District if that individual, organization or agency believes and alleges that the FCSD is violating a Federal Statute or regulation that applies to a program under the Elementary and Secondary Education Act of 1965 (ESEA). The complaint must allege a violation that occurred not more than one (1) year prior to the date that the complaint is received, unless a longer period is reasonable because the violation is considered ongoing.

Complaints and grievances shall be handled and resolved as close to their origin as possible and through the proper channels using the following procedures:

A complaint must be made in writing and signed by the complainant. The complaint must include the following:

- A statement that the FCSD has violated a requirement of a Federal statute or regulation that applies to an applicable program;
- The date on which the violation occurred;

- A list of the names and telephone numbers of individuals who can provide additional information;
- Whether a complaint has been filed with any other government agency, and if so, which agency;
- Copies of all applicable documents supporting the complainant's position; and
