Information for ALL STUDENTS

Students may check in late/check out early if they are exempt from exams at the beginning or end of the morning. Students may NOT check out/check in between exams (ie: A student CANNOT check out after the 1st period exam and then return for the 3rd period exam). Regular bus transportation will be provided on exam days. Teachers will record current exemption status on the exemption forms; exemption status may change based on new grades and additional absences. **While the teachers will make reasonable effort to advise students of a change in exemption status, the student is ultimately responsible for monitoring any changes to exemption status in PowerSchool and taking his/her exams as required by board policy.**
